

## Food Safety Facts

Food safety is at the heart of the Chilli Doctor. We have a robust quality assurance system for the supply of safe, authentic chilli products. By retaining great and long-term relationships with our global growers and producers we can guarantee full traceability of our chillies from field to factory.

**We hope that you will find these sheets an interesting and informative source of information.**

We have produced these fact sheets to share our expertise and to reassure you that when it comes to chillies you are in safe hands – or gloves when it comes to the hotter varieties. Every sheet contains handy 'Facts at a Glance' but if you want to know more about any of the subjects covered, please contact our technical team.
